

1 Sea Dog Fleet 166 Scoring 2011-2012
2 -----
3

4 For the 2011-2012 Season, scoring will be basically
5 unchanged from 2010-2011. Here are the salient points:
6

7 1. The racing will start promptly at 1 p.m. on Sundays with
8 as many races as possible per Race Day. Normally races will
9 not be started after 3:30 p.m., but that will be up to the
10 disgression of the RC.
11

12 2. A day will qualify as a race day if three or more races
13 are sailed.
14

15 3. A boat will be considered an "entrant" for a Race Day if
16 he/she ranks as a starter in at least one race.
17

18 4. There will be no daily throwouts. Low point scoring will
19 be used (RRS, Appendix A). Note that according to that
20 system (A4.2) DNC, DNS, DNF, DSQ, are all scored the number
21 of entrants for the day plus one. E.g., if you DNF with
22 daily 10 entrants you get 11 points for that race.
23

24 5. The finishing place for the Day will be used for the
25 Series Score. There is no qualifying requirement for the
26 Series. There will be one throwout for every three race
27 days and non-participants will receive one point more than
28 the number of entrants for that Race Day. For example, if
29 there are 10 Race Days, there are three throwouts. If you
30 sail on only six days, you count your best seven scores
31 (which would count at least one Race Day in which you did
32 not participate).
33

34 6. No adjustments will be made to scores (breakdown points,
35 redress points, etc.) except as allowed in A6 of the RRS
36 (Changes in Places and Scores of Other Boats).
37

38 7. Sailors who take on RC duties for a day get a first
39 place for the day, but they can only receive one such first
40 place for a given Season Series. Note that this means any
41 given Race Day of the Series may have more than one first
42 place finisher.
43

44 8. The Fall Season will run from November 6th through
45 January 22nd (ten race dates, no racing on December 25, and
46 January 1st race is not included in the Fall Season series).
47

48 9. New Years Day (Sunday) will be a standalone race (the
49 Hangover Bowl).
50

51 10. The Spring Season will run from January 29th to April 1
52 (10 race dates).
53

54 Note: If these scoring rules need minor tweaks (or if it
55 does not reflect the minutes of the AGM), please bring
56 proposed changes to the attention of Gary Breder or Nelson.
